

GLOBAL ALLIANCE FOR A HEALTHY SOCIETY

ORGANIZATION PROFILE

WHO ARE WE?

A Non Profit Organization aimed at promoting research, improving access to quality education, health, better sanitation and reduction of poverty.

ABOUT US

Global Alliance for Healthy Society (GAHSO) is a right-based and demand-driven youth-led National Non-Governmental organization registered in 2016.

GAHSO's main objective is to provide socio economic empowerment programmes through provision and promotion of easy access to quality Healthcare, Education, Improved agribusiness initiatives, ICT, Water and sanitation and Advocacy for good governance and accountability.

Besides, GAHSO is committed to promoting and advocating for social, legal, cultural, and economic inclusivity particularly for the marginalized population in the society.

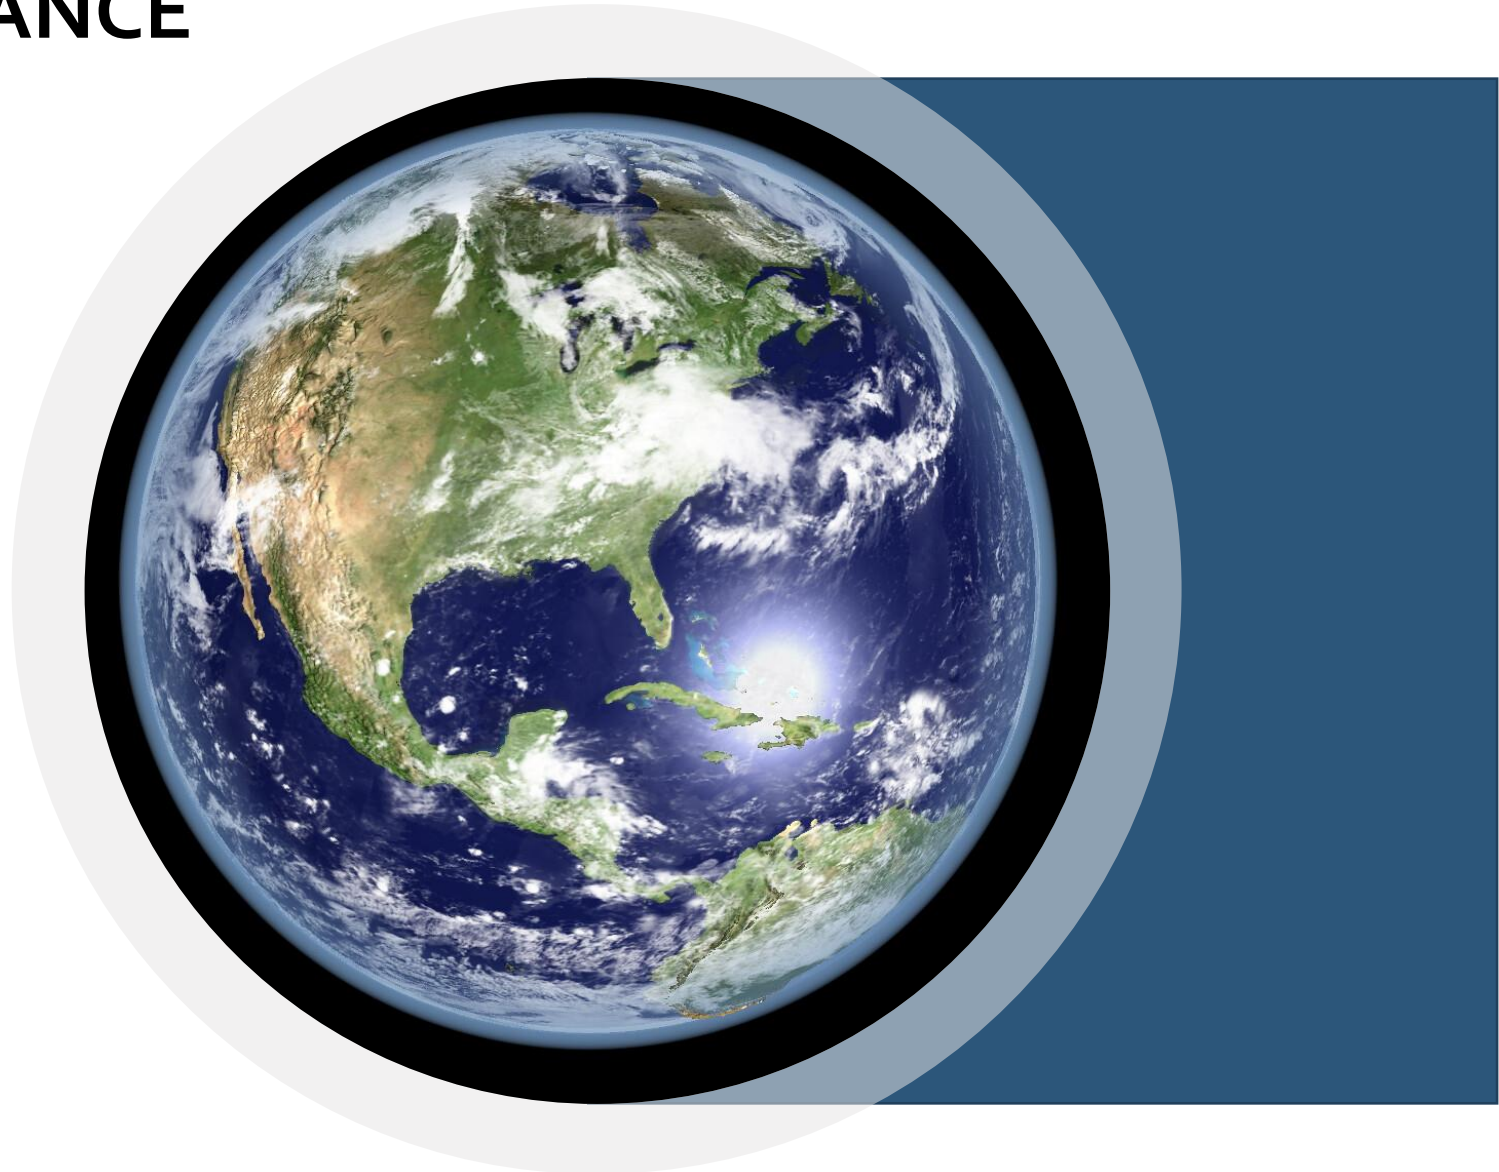

LEADERSHIP & GOVERNANCE

Currently, GAHSO has a five-member board of directors elected through AGM and it is primarily responsible for;

- Policy framework development;
- Performing ultimate governance authority or the organization; and
- Fundraising on behalf of the organization.

GAHSO also has an Advisory Board (AB) made up of skilled and specialized individuals who use their expert knowledge to augment the board.

Therefore, the AB is responsible for providing technical guidance to the board; and is the key figure of GAHSO in matters relating to public relations.

OUR VALUES

OUR VISION 01

GAHSO vision is to promote equity whilst socially empowering the society through research, evidence-based programs and initiatives that foster learning, access to better health care and proper sanitation.

OUR MISSION 02

An equitable society where marginalized and vulnerable individuals meet their needs

OUR FOCUS AREA

HEALTH & HUMAN RIGHTS

1.

Promote and provide high-quality and comprehensive sexual reproductive health rights (sexuality) education and training programs for young people;

Championing for human rights protection and respect for human dignity;

Provision of a multi-faceted HIV/AIDS targeting programming for general population as well as the sexual minority groups in the society;

Advocating against early marriages and gender based violence

Building the economic and social capacity of low-income households through the SILC grouping model;

Training youths, women, and the marginalized populations on modern and sustainable entrepreneurship as well as smart-skills agribusiness.

2.

SUSTAINABLE SOCIOECONOMIC EMPOWERMENT

OUR FOCUS AREA

LEADERSHIP, GOVERNANCE AND ACCOUNTABILITY

3.

Through advocacy, sensitization and community forums that ensure participation of the vulnerable and marginalized population on issues affecting their day-to-day lives.

4.

WATER, SANITATION AND HYGIENE (WASH)

Championing for the provision of clean water and sanitation services for a better health through collaborative partnership with other agencies.

Partner with the local communities and authorities in enhancing environmental protection policies, activities, and programs such as waste management and afforestation.

ENVIRONMENTAL CONSERVATION AND PROTECTION

5.

Undertaking ethical research-based studies in key areas such as healthcare, education, sanitation, and agribusiness and using the findings to develop and inform evidence-based practices as well as policies.

6.

RESEARCH AND DEVELOPMENT

OUR PROCESSES

Identification of a need in the society. This forms the first step to us identifying which projects to take on and merit based on the urgency of need.

2. START UP PROJECTS

Coordination with the relevant organisations & stakeholders.

Putting together the project team ready for the execution.

Identification of sources of funding.

3. MARKETING STRATEGY

Marketing team come up with strategy on how the initiatives are to be marketed to ensure maximum reception and benefit of the society.

4. CREATIVE CAMPAIGNS

Creative campaigns to ensure that the initiatives created are sustainable and are adapted by the benefiting community such that they continue it's implementation long after the project is over.

HOW CAN YOU HELP?

HELP US MAKE A DIFFERENCE IN THE SOCIETY!!

Do you wish to be part of Global Alliance? Well you can do so by either volunteering to help in our project executions and outreaches, sponsoring the programs and donating to the cause.

You can donate by either bank transfer, M-Pesa, Debit/Credit Card payment or through our PayPal account: info@gahso.org

Your donation to Global Alliance for A Healthy Society, will go to assist the realisation of our programs aimed at bettering the society.
